Welcome to Clearwave!

This guide walks you through your first day, first week, and first 90 days at Clearwave Technologies. Bookmark it — you'll want to refer back to it during your first month.

1. Before Your First Day

- Complete your I-9 and W-4 forms in Workday (link sent by People Operations).
- Your laptop will ship to your home address 3–5 business days before your start date.
- Background check completion is required before systems access is granted.

2. Your First Day Schedule

Time	Activity
9:00 AM	Company orientation (People Operations, virtual)
10:30 AM	IT equipment setup and account provisioning
1:00 PM	Benefits overview session
3:00 PM	Team introduction and welcome lunch

3. First Week Checklist

- Meet 1:1 with your manager to review your 30-60-90 day plan.
- Complete mandatory compliance training (Code of Conduct, Security Awareness) within 5 business days of your start date.
- Set up Slack, email, and calendar; join your team's and department's channels.
- Meet your assigned Onboarding Buddy, who will help answer day-to-day questions.

4. Benefits Enrollment

You have 30 days from your start date to enroll in medical, dental, and vision coverage through the Benefits portal. Clearwave matches 401(k) contributions up to 4% of salary, and matching begins after your first 90 days of employment.

5. IT and Equipment

- Laptops are provisioned and shipped within 24 hours of your background check clearing.
- VPN access is required for all internal systems when working outside the office network.
- Password policy: minimum 12 characters, and multi-factor authentication (MFA) is mandatory for all accounts.

6. Your 30-60-90 Day Plan

- Day 30: Complete all required training and be fully set up on core team tools.
- Day 60: Take ownership of your first independent project or workstream.
- Day 90: Complete your first performance check-in with your manager.
